<https://www.guysandstthomas.nhs.uk/our-services/hearing-implant-centre>

Address

Hearing Implant Centre

Ear, Nose and Throat (ENT) services, 2nd Floor, Lambeth Wing,
St Thomas' Hospital, Westminster Bridge Road, London SE1 7EH

Travel information

St Thomas' Hospital | Guy's and St Thomas' NHS Foundation Trust

[guysandstthomas.nhs.uk](https://www.guysandstthomas.nhs.uk)

<https://www.guysandstthomas.nhs.uk/st-thomas-hospital#travel-information>

By car

Duration from Brighton – approximately 2 hours

Visit here for details of routes Brighton Railway Station - Southern Railway to London SE1 7EH <https://www.google.com/maps>

Parking

St Thomas' Hospital is located in the Congestion Charging zone <https://tfl.gov.uk/modes/driving/congestion-charge> and the Ultra Low Emission Zone (ULEZ). <https://tfl.gov.uk/modes/driving/ultra-low-emission-zone>

Parking is very limited at the hospital and there is often a queue. The car park is open 24 hours a day and costs £3.20 per hour.

Public transport (train)

Duration (from Brighton Station) – approximately 1.5 to 2 hours.

You will need to change at London Bridge, and alight the train to London Waterloo East.

Closest mainline stations – London Waterloo or London Waterloo East. Blackfriars station is a 25 minute walk away.

Closest tube stations are Waterloo which is a 15 minute walk, or Lambeth North, also a 15 minute walk, or Westminster, a 10 minute walk.

Help with transport and/or overnight stays

Guys and St Thomas' hospital can provide transport and also help with the cost of the travel for certain patient groups.
